	Agenda Item
	<p>Quorum The quorum was established with a total of 99 registered delegates at 10.00am. Meeting was called to order at 10.30am.</p>
1	<p>Opening Address by President President welcomed and thanked all members present who had taken the time and effort to travel from their respective states to attend the 14th Malaysian Nash Hash (MNH) and 15th Biennial General Meeting (BGM) today.</p> <p>Before proceeding with the meeting, the President offered his condolence to Dato' Nadaraja on his recent loss and one (1) minute silence was observed in remembrance of our departed hashers and family members.</p> <p>A big hand to all delegates who stayed back after attending the MNH and delegates who had especially travelled from near and far to attend this meeting today. The MHF congratulates the Organising Committee headed by, Dato' Nadaraja "Rojak" Grand Master of Mont' Kiara H4, OC, Lady Goat, Assistant OC, Lan Kaw Seng who have taken the challenge and put in immense time and effort to organise a successful MNH in these trying times. This is also made possible due to the hard work, generous contributions and support from MKH4 members, sponsors and hashers alike. Syabas and Terima Kasih.</p> <p>The amendments to the MHC Constitution, which was approved at the 14th BGM held on 10th July 2022 in Johore Baru, was ratified at an EGM held on 27th August 2023. The approved amendments were submitted to the Registrar of Societies by the President and approval was received on 12th November 2023. We are now known as the Malaysian Hash Federation (MHF) and guided by the Sports Development Act 1987. We are following up with the Commissioner of Sports for their approval and recognition of Hash as a Recreational Sport and liaising with the Olympic Council of Malaysia for admission as an Associate Member.</p> <p>We take this opportunity to welcome and acknowledge our new affiliates, SICO H3 from Selangor, Valdor H3, Sg Bakap and Northern Lions H3 from Penang and Kelab Harimau Harriers H3 and Daring H3 from Kedah.</p> <p>Some chapters had difficulty to register the Acronym "Hash" or "Harriers" at their state level ROS office as the ROS required all wordings to be in Bahasa Malaysia. The issues were resolved with timely assistance of our the Council members and our Advisor. We now have a total 133 affiliates.</p> <p>MHF celebrated our 25th Anniversary Gala Dinner and Dance in Langkawi on 17th and 18th February 2023. We thank all our affiliates and Committee Members for their support in making it a memorable event of hashing, fellowship and camaraderie.</p> <p>In February 2023, MHC collaborated with the Young Talent Track and Field (YTTF), a non profit organisation made up of ex-national athletes to provide "free" training on a weekly basis to kids aged from 6 years to 16 years. A noble effort to develop young talent and expose them to trail running and survival skills in the jungles which would reinforce their self-confidence and social skills.</p> <p>A fund raising Run for Young Talent 2023 was held on 7th May 2023 at the PJ Club. The hash trail was jointly led by President with PJ club hashers and supported by hashers from KL, Selangor and Perak Chapters. A Gala Dinner was</p>

	<p>held at Hee Lai Ton Restaurant, PJ, on 23rd June 2023. We thank all our Hashers for their support and our 12 Hashers who sponsored the training program for one year for 12 kids. With this collaboration, the MHF received RM5,147.50 from YTF.</p> <p>We also received a surprise donation of RM500 from Cameraman, the OC of Pan Songkran Run and RM1,100 from “Toddy King”, GM of Harapan Baru H3. I thank them for their kind gesture to start the fund raising ball rolling.</p> <p>I thank my council members who have sacrificed their time, effort and money to attend the various meetings and celebration runs. Council members continuously support and contribute towards sponsorship of the state and chapter celebration events. Our travel and accommodation expenses are from our own pockets as the MHF does not have a regular source of income and funds. Appreciation goes out to Parit Buntar H3, WFR H3, Kota Setar H3 and Kinta Rainforest H4, for giving the Council members either waiver of the registration fee or waiver of registration fee and lodging provided during their recent Celebration Runs.</p> <p>I am pleased to announce that the 15th Malaysian Nash Hash 2026 (MNH) will be jointly organised by four (4) chapters from Malacca. The team headed by Gary Tan and Au Kiat informed that all delegates present today will be entitled for the early bird rate. The details of the event will be announced by the team shortly.</p> <p>I must stress that it is pertinent for all hashers to maintain a positive image and a healthy lifestyle. We must also take care and be considerate for our environment and continue to assist the less fortunate by contributing our time, effort and resources in making their lives more comfortable. I salute all hashers who have embarked in this noble effort. The MHF recognised their effort and awarded tokens of appreciation to these outstanding hashers at our 25th Anniversary Dinner and Dance. I congratulate the KL Rep. and GM of MKH4 Dato’ Nadaraja for further recognising their efforts at last night’s Main Dinner where tokens of appreciation were given out to “Cowboy” & “Sodam” from PJ Anemales and “Goodyear” from Penang H3.</p> <p>Thank you and I wish you good health and happiness always. Drive safe and see you at the next celebration run. On On.</p>

This is against the Constitution and thus this meeting is invalid.</p> <p>Hon Sec. informed that the notice of meeting had been posted and circulated to members on 9th May, 2024 on the MHF website and at all the MHF Affiliates State Whatsapp Groups. <p>4.</p>	<p><u>Secretary’s Report</u> Hon. Sec briefed the members on the list of Committee members elected at the 14th BGM held on 10th July 2022. Total Affiliates Membership is currently 233 i.e. existing 227 plus 6 new affiliates joined during the term. One (1)</p>

affiliate KL H3 (Mother Hash) has left the MHF.

A total 8 Council meetings were held during this term. The last meeting was held on 7th June 2023.

The MHC 25th Anniversary Gala Dinner and Dance was held in Langkawi. The Pub Crawl held on 17th February 2023 was attended by 171 Hashers whereas the Dinner held on 18th February 2023 was attended by 255 hashers.

MHC is proud to inform of its collaboration with the Selangor Young Talent Track and Field (YTTF) and Kelab PJ. They held their first outdoor activity run to raise awareness amongst the young on 7th May 2023. A fund raising dinner was held on 22nd July 2023 and 12 hash members sponsored 12 young children for their 12 months training program.

Our Council members together with the State Reps assisted some new chapters in Penang and Kedah to include the word “Hash” or “Harriers” in their formation for registration with ROS.

Our application for an Internet Banking facility was approved by Maybank. on 29th April 2024. We are now able to do online banking instead of issuing cheques. Task done by President, Hon. Sec and Treasurer.

The Committee played an important role in assisting Chapters as advisory for celebration or state runs and assisting to resolve disputes between members and their clubs.

We are now known as the Malaysian Hash Federation (MHF) and guided by the Sports Development Act 1987. The amendments to the MHC Constitution, which was approved at the 14th BGM held on 10th July 2022 in Johore Baru, was ratified at an EGM held on 27th August 2023. President was instrumental in the follow up and submission of the approved amendments to ROS.

Our website is going through transformation from MHC to MHF as we have changed our logo and registered a domain as malaysiahashfederation.com to replace malaysianhashcouncil.com when it expires later in the year. By typing either name, users will be directed to the same website. We have included the Google calendar in our website to enable visitors /members to view chapter celebration runs which have been informed by member chapters to the MHF. We hope to raise funds to revamp the current website as it is more than 6 years old and has limited functionality. The budget proposed is RM6,000.00.

As members are aware, our operating funds are limited and all travel and accommodation expenses are borne solely by the council members when attending MHF functions. We are grateful to our President for sponsoring some official uniforms for the Council members.

We record our appreciation and gratitude to the following Organising Chapters for their generosity in hosting or waiving off the registration fee for MHF Committee members:

- Perak State Run by Parit Buntar H3 on 26th Aug 2023 GM Big John, Organising Team Members
- Kedah/Perlis State Run 17th June 2023 y GM Ironman Organising Team / Members

Members are reminded to update their chapter information at the website and state Whatsapp chat groups. There are challenges faced as chapter information is not updated at the website and state whatsapp groups and the Committee is not informed of all State /Chapter Celebration runs etc.

We thank Nerin “Bloody Mary” who was appointed as the minute taker to take the Minutes of Committee Meetings and today’s meeting. I thank members for their support and apologise for any shortcomings.
